Here at Second Baptist Church we support Children's HopeChest which is a child sponsorship program. Several families here sponsor children and below is an example of how sponsorships with these Ethiopian children is changing lives:

"I am Mubarek. I am 13 years old and 8th grader. I live with my mom and my grandmother. My mom is sick. She can't work. So, my grandma looks after me however, she is getting older. If I were not getting support from this project I would have dropped my school. I would have not received medication, food or clothing. Generally, I would have ended up homeless. But now, thanks to God and my sponsors, I have been receiving support from the CarePoint. I got medication, clothing, school fees and food, as a result of this, my family not worried about my expenses. I don't have enough words to thank God. I wish you all the best and God bless you and your family."
